## Is this programme suitable for my needs ?

Yes, if you have successfully completed the Rope Access Level 1 course and you would like to increase your scope of work as a rope access technician or the rope access level 2 course is the stepping stone towards the rope access level 3 supervisor course.

## Benefits of this training programme?

After successful assessment has been completed candidates will have the following

- Rig ropes for work and rescue situations using relevant knots.
- Perform rope manoeuvres.
- Perform rescues.
- Maintain and inspect rope access equipment.
- Demonstrate knowledge of worksite organisation.
- Apply knowledge of the legal and safety requirements to different worksites.

### Entry Requirements

1. Medical certificate
2. Certified copy of ID
3. Valid First Aid Level 1 Certificate
4. US230000 Rope Access Technician Certificate
5. 1000 logged hours as a Rope Access Technician

### Duration

5 days of training and assessment

### Minimum of Candidates
